HONOREE

Louis Del Collo

Louis Del Collo was raised in Paterson, New Jersey, and moved to New York in 1973 after graduating from St. John's University. Lou is a loving husband to Joanne and they have been happily married for 31 years residing in Malverne, New York.

After 17 years of Catholic education, Lou embarked upon varied careers. He was an Athletic Trainer at St. John's University, Special Program Administrator for Harold

L. Lee & Sons Inc. in New York City and a Government Bond Broker where he spent the last 17 years of his professional life at Tullett-Liberty, Inc. before retiring in 2021.

Lou is the Co-Founder of the St. John's Baseball Alumni Golf Outing and the second recipient of the prestigious "Jack Kaiser" Award in 2002.

All of Lou's endeavors were brought about by his hard work ethic and his ability to interact with people in all fields. The most important thing Lou learned from his parents, education and careers was to treat everyone the way you want to be treated and this is evident in his desire to always step up to help his community.
